CAPITAL CAMPAIGN REPORT NO. 6

MAY 2005

Dear St. Margaret's Catholic Community

I would like to express my deepest appreciation to my fellow parishioners for their generous contributions and commitments to our **Forward in Faith** capital campaign. To date, we have over \$912,675.00 pledged by 275 households. We are a little over halfway toward our goal of \$1,672,000, with more than half of our parish households still to make a commitment.

In this newsletter we thank all those who have come forward to contribute their time, talent or treasure to our parish capital campaign. I know many of you well enough to know that you made significant sacrifices to make a commitment to our campaign. You have forgone special projects around the house, or even some of your regular entertainment, to make a commitment. Because of your sacrifice, St. Margaret's Parish will be able to at least pay down our debt by \$600,000, resulting in a reduction of our monthly payments on our debt to the diocese. Thank you for your act of faith in supporting our capital campaign.

However, as you can see, the campaign is not over yet. To do what needs to be done at St. Margaret's Parish, and to ensure that we have adequate facilities that will accommodate our continued growth, we need 100% parish participation in this campaign. Without everyone's participation, we will not meet our goal and will not be able to complete the necessary expansions that are so badly needed.

Imagine having a new educational and administration center where our children will be able to participate in classes without worrying about disturbing the other class in another corner

of the room. Imagine Fr. Robert, Sue and Cathie having offices where they didn't have to share space with religious education classes and other parish groups. Each should have work space for planning and receiving parishioners in private.

By adding the second building, we could host funeral dinners and small receptions. We could provide a safe and protected entrance into our present sanctuary from the parking lot. With the extra parking, we wouldn't have to worry about finding a space to park, or deal with the single driveway into and out of the parking lot.

St. Margaret's Parish has some very exciting plans for the future, but we need everyone's participation. If you have not submitted a commitment envelope, I ask you to please prayerfully consider joining your fellow parishioners in making a commitment toward the future of St. Margaret's Catholic Community. We are asking that every household seriously consider committing 5% of its annual gross income over the next three years to the campaign. This would be over and above your present giving.

Your commitment is needed now. What is most important is that you commit something. No commitment is too small. Be a part of the excitement at St. Margaret's Parish.

May God continue to bless each of you and your families, and may God continue to gently guide our parish family as we move further into our future together.

Sincerely yours in Christ,

Fr. Robert

The following members and families of St. Margaret's Catholic Community have generously made a commitment to our Forward in Faith campaign and to the future of the parish. We want to acknowledge each of them for the support and sacrifice they have shown to St. Margaret's Parish. Please note that some individuals and families have requested that their names not be listed in this newsletter and we honor their request.

Campaign "Thank You" Gifts Delivered

The Thanks Committee and volunteers have delivered personal thank you cards and beautiful 12-inch crosses to every household that has made a commitment to our *Forward in Faith* campaign. This cross is given to remind members of the sacrifice that they are making for the future of St. Margaret's Parish. If you have made a commitment to the campaign and have not received your cross, please contact the Parish Office. If you make a commitment today, the Thanks Committee will be delivering a cross to your doorstep in the near future.

Questions & Answers

How can I make a commitment at this time and how can I make my campaign payments?

We are asking parish members to make a commitment of 5% of their gross annual income each year for the next three years. There are envelopes specifically designated for our capital campaign which will be part of the box of envelopes you receive each month. To make a commitment, call the Parish Office to request that they send you a campaign commitment envelope, or pick one up at Mass in the back of church.

Is this commitment over and above what I am contributing now?

Yes. Your regular contributions are very important and they keep the parish running. The capital campaign contribution is for those items that our regular income cannot cover.

St. Margaret's
Campaign Angels
are people who have given
of their time, talent and
resources to ensure the
future of St. Margaret's
Parish. We want to say

THANK YOU!

Your sacrifices have made a
difference for St. Margaret's
Catholic Community and
the people who call this
parish home!
